## « ART& NATURE » THEME!

---

**ART :** The day camp offers a variety of activities geared towards visual arts and theater. Our participants will touch a bit of everything: drawing, painting, sculpture, model, murals, puppets, improvisation, mimes ... Each child receives an "artistic journal" to fill in during their stay, to express their ideas, do activities and create freely.

**NATURE:** The group will spend a lot of time outdoors rain or shine: Physical activities such as walking and swimming, observation and artistic interpretation of flora and fauna, the use of material collected from nature to create or experiments and awareness activities for benefits of nature and respect for it.

**LET'S MOVE TOO :** Every day, sports periods are planned to make the kids expend energy: team sport, skill games, warm-up, water games, obstacle courses ...

**SPECIAL GUESTS:** Each week there will be a visit from a special guest who will either lead a workshop or demonstrate their expertise to the camp group. Example from past years: Forest engineer, author, musician, designer, model maker, cameraman ...

**ACTIVITY IN TOWN:** We will regularly visit certain places and outdoor facilities that are accessible and safe for our activities: hiking trails, place du moulin, tennis court, site of the round barn, municipal library and multipurpose shelter in André-Gagnon Park.
